CASE NO. 06-CV-415-HA

CLASS ACTION

**FIFTH SUPPLEMENTAL REPORT
OF THE PARTIES'
RULE 26(f) PLANNING MEETING**

The parties submitted a Fourth Supplemental Report of their Rule 26(f) planning meeting on March 23, 2012, requesting another 30 days to submit a proposed briefing schedule. By order entered March 27, 2012, the Court directed the parties to submit a further status report or proposed briefing schedule by April 23, 2012.

The parties respectfully propose the following revised Case Management Schedule:

Event	Deadline
Deadline for motion for class certification, designation of any experts on class certification, and service of expert disclosure(s), as they relate to class certification	May 9, 2012
Defendants' opposition to motion for class certification, designation of any experts on class certification, and service of expert disclosure(s), as they relate to class certification	July 6, 2012
Plaintiffs' reply in support of motion for class certification	August 31, 2012
Hearing on motion for class certification	To be set by Court
Parties to hold conference to discuss case management schedule for remainder of case, taking into account Court's ruling on class certification	30 days after Court's ruling on class certification.

The parties continue to believe that it is premature to schedule additional dates or deadlines until after such time that the Court rules on Plaintiffs' motion for class certification. The parties, therefore, propose that designation of the final dates for submitting Rule 26(a)(3) witness lists, designations of witnesses whose testimony will be presented by deposition, and exhibit lists; the final dates to file objections under Rule 26(a)(3); and any trial are deferred pending resolution of any motion for class certification, after which the parties will confer regarding remaining case management issues.
